

Renewal House Welcome & Send-Off Baskets

Every guest who comes to Renewal House, and every family we support as they prepare to move into their own home, receives a care basket filled with essentials. These baskets are our way of welcoming new residents and celebrating graduates who are stepping into their next chapter. We'd love your help filling them.

Below are the items we're collecting. Each piece goes directly into a welcome or send-off basket for a guest, so every donation makes a personal impact.

- **Bed in a bag (comforter & sheets)**
- **Soap, razors, shampoo & conditioner**
- **Shower caddy tote**
- **Toothpaste and toothbrushes**
- **Lotion and hairbrushes**
- **Face, body, and hand towels, plus kitchen towels**
- **Comforter or sheet sets**
- **Cleaning agents and bathroom sets**
- **Cutlery, pots and pans**
- **Toaster ovens or coffee makers**
- **Mops and brooms**
- **Toiletries, including pads and tampons**

Thank you for helping us create thoughtful care baskets. Your generosity ensures every guest feels welcomed and supported, whether they're just arriving or setting out on their next journey.
